

## 5G-enabled Smart Queuing System

During special school events like open days and parents' days, there is often a large influx of visitors to the school. 3Education's 5G-enabled Smart Queuing System offers an innovative solution for schools to effectively streamline the flow of students and parents and reduce waiting time.

- Reduces waiting time and improves overall experience
- Provides data analysis to better optimise school services and resources
- Customisable features easily adapt to the specific requirements of different occasions
- 5G speedy connectivity ensures real-time synchronisation of queuing statuses

### 5G智慧排隊系統

每逢開放日或家長日，往往會有大量訪客到訪校園。3Education 的 5G 智慧排隊系統有助簡化家長及學生的排隊程序，縮短等候時間。

- 省時及提升整體體驗
- 提供數據分析，助學校提升服務及更有效利用資源
- 可自訂功能，適用於不同場合
- 高速 5G 連接，確保實時更新最新排隊情況
